Ever since I was young,
I've liked beards, so
I went with "Higefusa."

In reality, I can't grow

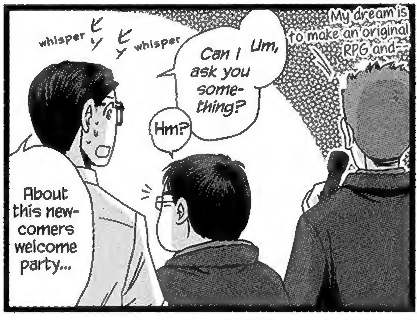
NEWCOMERS WELCOME PARTY

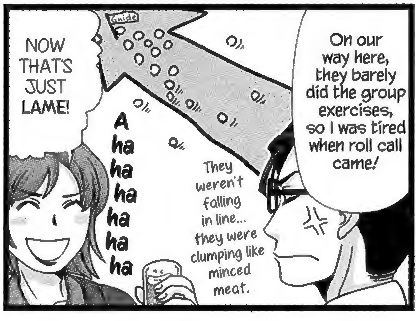


FREEDOM

That's true...
No one will be here, right?
If everyone's busy with work,
No point in meeting everyone if you don't have enough attendees.
GRAPHIC ARTIST
VETERAN
MISSUS

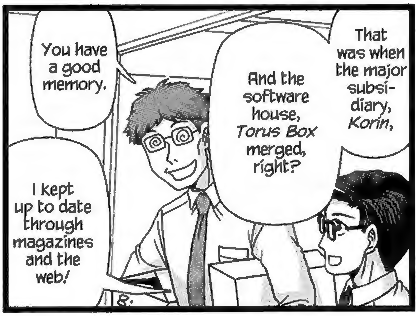
There's not much drinking even with so many guys in the office, huh.
Here you go.
Since the company outing is compulsory, we stick in the welcome party in there, too.
Most do overtime, then spend their money on hobbies instead of socializing.

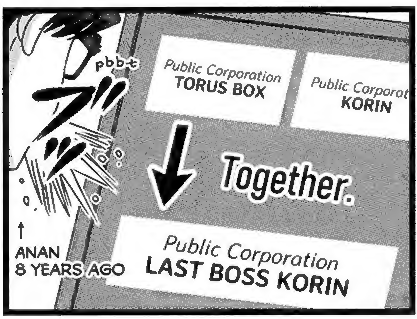
Oh.
And for you.
I had a feeling it was like that.
Thank you.
You could say they're all a bit hyper-individualistic.

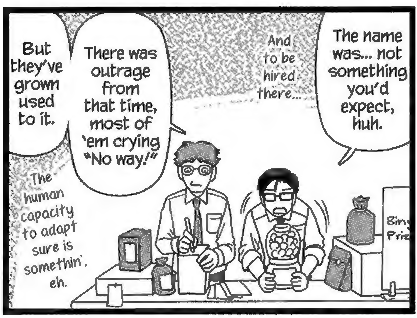


NOW THAT'S JUST LAME!
Gulp
A ha ha ha ha ha ha
They weren't falling in line... they were clumping like minced meat.
On our way here, they barely did the group exercises, so I was tired when roll call came!

COMPANY NAME







Note: Tied to Ainpa art. 光琳 (Kōrin) was stripped down to its spelling (コウリン). The new company name reads as "the coming of the final boss." *One-Winged Angel plays out of thin air*

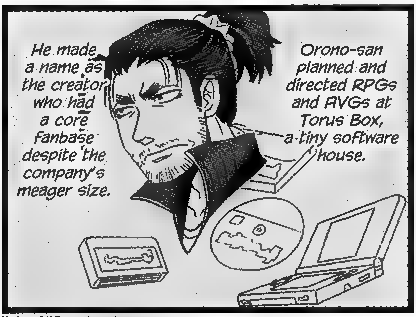
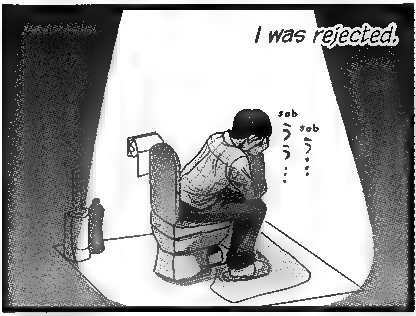
SETBACK BEFORE JOINING



Note: AVG = adventure game.

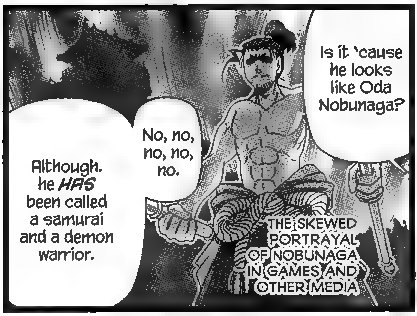


THE TRAUMA UPON JOINING

※ Nobu-chi: Orono's nickname.

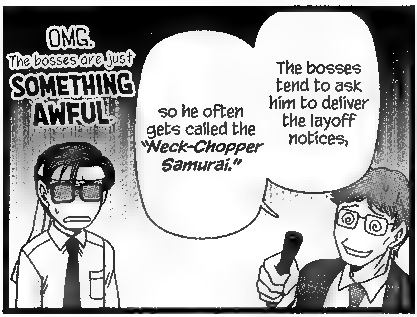
NICKNAME

But how is it that...
Orono-san came to be "Nobu-san"?
Haha!
Cause there's no "Nobu" in his name, you mean?



Is it 'cause he looks like Oda Nobunaga?
No, no, no, no, no.
Although he HAS been called a samurai and a demon warrior.
THE SKEWED PORTRAYAL OF NOBUNAGA IN GAMES AND OTHER MEDIA

Look at his full name.
O RO NO TAKESHI
鬼 DEMON
龍 CAGE
野 FIELD
武 WARRIOR
士 SAMURAI
NOBUSHI
So,
"Nobu" was taken from "Nobushi," so you get wandering samurai.
Oh.
I see.



OMG. The bosses are just SOMETHING AWFUL!
so he often gets called the "Neck-Chopper Samurai."
The bosses tend to ask him to deliver the layoff notices,

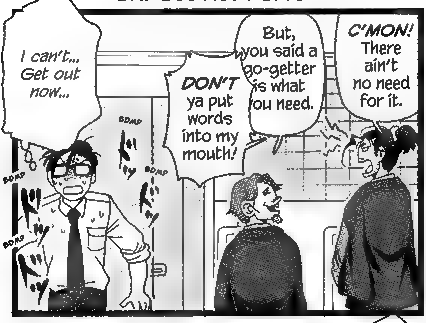
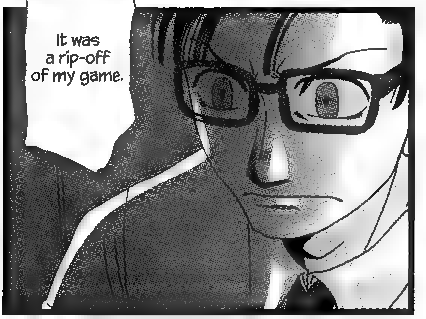
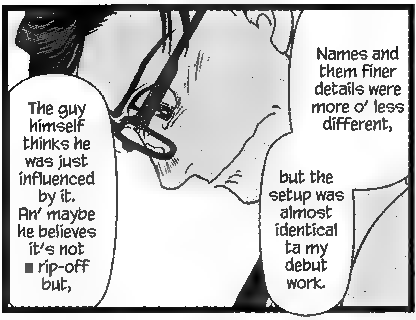
BATHROOM HUSTLE

EAVESDROPPING

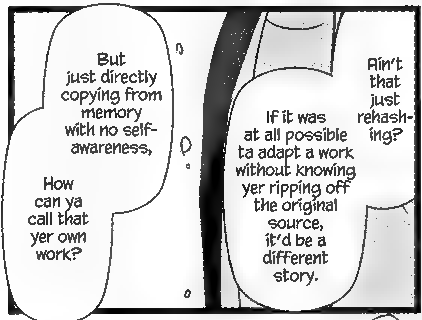




UNAWARE



Names and them finer details were more o' less different,
but the setup was almost identical ta my debut work.
The guy himself thinks he was just influenced by it. An' maybe he believes it's not a rip-off but,

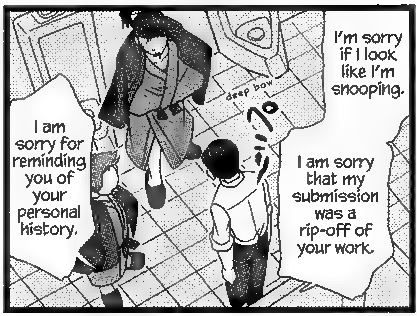


Ain't that just rehashing?
If it was at all possible ta adapt a work without knowing yer ripping off the original source, it'd be a different story.
But just directly copying from memory with no self-awareness,
How can ya call that yer own work?

Well, it's always hard to look back on your first work, right?
Not only that, but he just had ta go and fuckin' remind me of shitty works I'd rather be buried.
Ain't that why he's avoiding me? 'Cause he feels guilty about it?

WAH!
キィィィィィィ

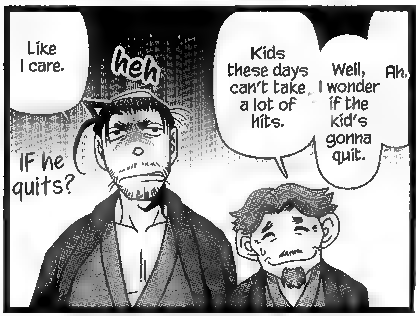
APOLOGIES



I'm sorry if I look like I'm snooping.
deep bow
I am sorry for reminding you of your personal history.
I am sorry that my submission was a rip-off of your work.

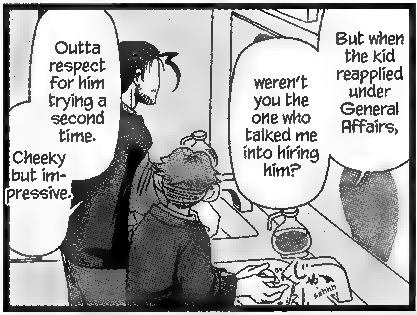
They're not shit to be buried.
But
I...
Not any of them...
really love your works.

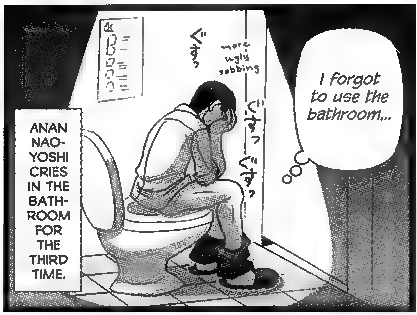
Please excuse me!
SLAM!



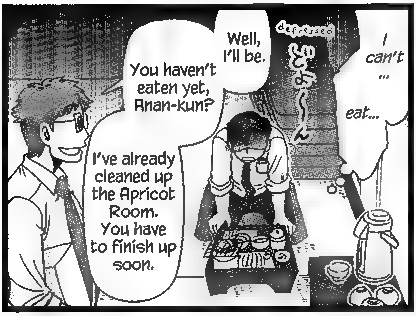
Like I care.
heh
IF he quits?
Kids these days can't take a lot of hits.
Well, I wonder if the kid's gonna quit.
Ah.

PUT DOWN THEN LIFT





RUN AWAY



You haven't eaten yet, Anan-kun?
Well, I'll be.
I've already cleaned up the Apricot Room. You have to finish up soon.
I can't ... eat...

Yes, well, we've got some beer and watered-down alcohol but...
Huh?
Miyoshi-san... Do we have any alcohol left?
Uh?
Please.

Please.
I'll have BOTH.

Ah!
Anan-kun, you have to water it down yourself...
Drink this beer instead. Hey!
Don't drink it straight. That's gonna hurt you!

Let me carry him. Where's his room?

It's at the annex. Room 606.

Too trouble-some.

TAKEAWAY

Anyway, I ain't using the futon.
There ya go...
I'll just leave him ta sleep this off.

Tha' jerk
I hate im.
I hate...
Damn it.

Using alcohol and ending up dreamin' about me.
Serves ya right for wussing out...
heh

yer gonna be disillusioned with how they differ from yer ideals. You goin' out and dreamin' up what ya like and hatin' what ya don't like--it's irritating.

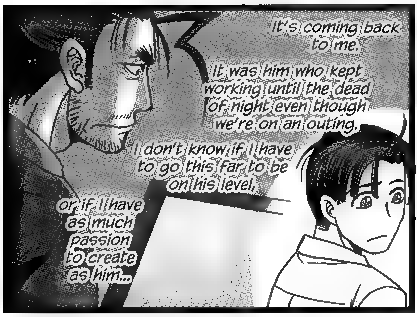
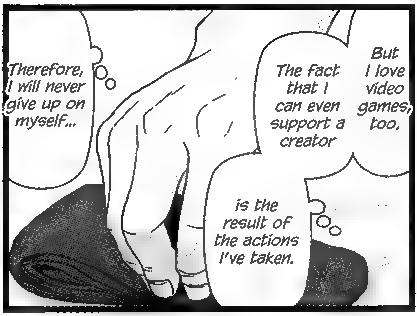
LEVEL UP!



It's coming back to me.
It was him who kept working until the dead of night even though we're on an outing.
I don't know if I have to go this far to be on his level.
or if I have as much passion to create as him...



Therefore, I will never give up on myself...
The fact that I can even support a creator
But I love video games, too.
is the result of the actions I've taken.

Though just in General Affairs!!
And someday, even Orono-san will recognize me.
I am gonna do something amazing!

(1) I WAS STILL THE ONLY ONE WHO HAD A GOOD GRASP OF ENGLISH IN THE COMPANY.
